ETA College

eta College George campus is situated in at the foot of the magnificent Outeniqua mountains. The campus offers the Fitness diploma, as well as the diploma in Sport Management. Our Coaching Science and Sport conditioning students have their theoretical classes and practical sessions at Outeniqua park rugby stadium, where they can enjoy the breathtaking views of the mountains nearby.

eta College George campus is an accredited and registered higher education and training college specializing in sport and fitness qualifications. Our training college is world famous for its method of theoretical, practical and work-based learning, which we call *Total immersion*. **eta** College students learn hard and they play hard and the campus provides a focal point where this happens. That is why we have access to a range of classroom, practical and recreational environments so that our students achieve classroom learning and practical skills whilst having lots of fun. In addition we have relationships with workplace providers to ensure that students are exposed to learning that is relevant to their needs for success in employment or for starting their own practice.

Hospitality Training

Francois Ferreira Academy

The Francois Ferreira Academy has been providing quality, accredited training in Culinary Art and Hospitality for the last 14 years. The Academy has expanded its scope to include Skills Development Programmes in Hospitality and Tourism. In the new purpose built "Master Chef" style kitchen, students can indulge in their passion for cooking, and where classes are held for the public who want to learn how to cook. Wine and Spirit Appreciation as well as Food and Wine pairing workshops are also presented to those who have an interest in learning more about wines and spirits.

Our courses are accredited with CATHSSETA, City&Guilds and QCTO. We are recognised as a Training Provider by the South African Chefs Association and the Chaîne des Rôtisseurs.

We also offers short courses for restaurant and hotel staff

NQtac Hotel School

Fully accredited with City & Guilds International, CATHSSETA, Chartered Institute of Tourism and Hospitality (CTH) and registered as a Private TVET College, NQtac Hotel School qualifications are a passport to careers all over the world.

Experienced lecturers have all worked in the Hospitality industry and specialize in Food Preparation and Culinary Arts, Patisserie and Hospitality Management.

Join NQtac Hotel School, with its campus on the beautiful Garden Route and do your practical training in top quality establishments, either locally or abroad. Leave with a fully developed CV which includes international qualifications and 5 star working experience!

Our hotel school students are registered for the City & Guilds International qualifications, as this allows them the freedom to work in South Africa, go overseas and find employment anywhere in the world or work on the ships and travel. The choices are limitless as the qualifications are recognized in over 120 countries worldwide. Students are trained by accredited trainers and assessors while working in an actual hotel or restaurant environment. Individually structured training programmes are implemented on site at luxurious 4 and 5 Star establishments both locally and internationally.

On completion of their Hospitality Full Time Courses studies, students leave the Hotel School with a ready-made CV, incorporating skills, fully recognized International Qualifications and the work experience required by potential employers in the industry.

Aviation Training

Flight Training College (fixed wing)

Flight Training College (FTC) offers a broad spectrum of Pilot Training. Whilst we are primarily focused on Professional Pilot Training our goal also includes the improvement of Knowledge, Skill and Safety standards in the recreational/private flying sector. Not only are we committed to delivering the very best training possible, we also help to prepare our Commercial Pilot graduates for a career in the aviation industry.

Whether you want to fly privately or commercially, our goal is to prepare you to be the very best you can be.

George Airport is one of the cape flying regions most idealic locations and is Equipped to International standards.

Our training ranges from the basic Private Pilot Licence (**PPL**) to the advanced Commercial Pilot Licence (**CPL**) and Airline Transport Pilot Licence (**ATP**).

Other courses include the Instrument Rating (**IF**), Multi Engine (**ME**) and **Instructor Rating (IR)**.

Please visit the Career Guidance section written by our CEO Captain Walter Waldeck (Airbus A330/A340 Training Captain with South African Airways) on career prospects within the local and international aviation industry

Blue Sky Aviation (Helicopter Training)

Blue Sky Aviation's Flight School (Helicopter Division of TFASA) offers pilot training for both Private Pilot Licence (PPL) and Commercial Pilot License (CPL) in a highly interactive and personally orientated helicopter flight training program.

Our helicopter instructors are highly experienced and possess all the knowledge on how to become a helicopter pilot and also fully preparing the student pilot for future helicopter pilot job.

George's unique coastline location provides the student pilot with training scenario's and conditions at optimum helicopter performance. Frequent air traffic control from the George Airport ensures safe and effective student pilot flights.

Blue Sky Aviation does ab-initio instruction in the Robinson 22 and Robinson 44 Helicopters. These are the favored helicopters worldwide for training as they offer a solid foundation for the private pilot through to the commercial pilot. No formal qualifications are required to train as a helicopter pilot and contrary to popular belief, no previous flying experience is required before learning to fly helicopters.

The minimum age requirement is 17 years and the only other requirement is that you pass an aviation medical examination which requires only a reasonable level of fitness. Also contrary to popular belief you don't need perfect 20/20 vision and you are allowed to fly with glasses. Type 2 and 3 diabetics can obtain a PPL. Type 1 cannot.
